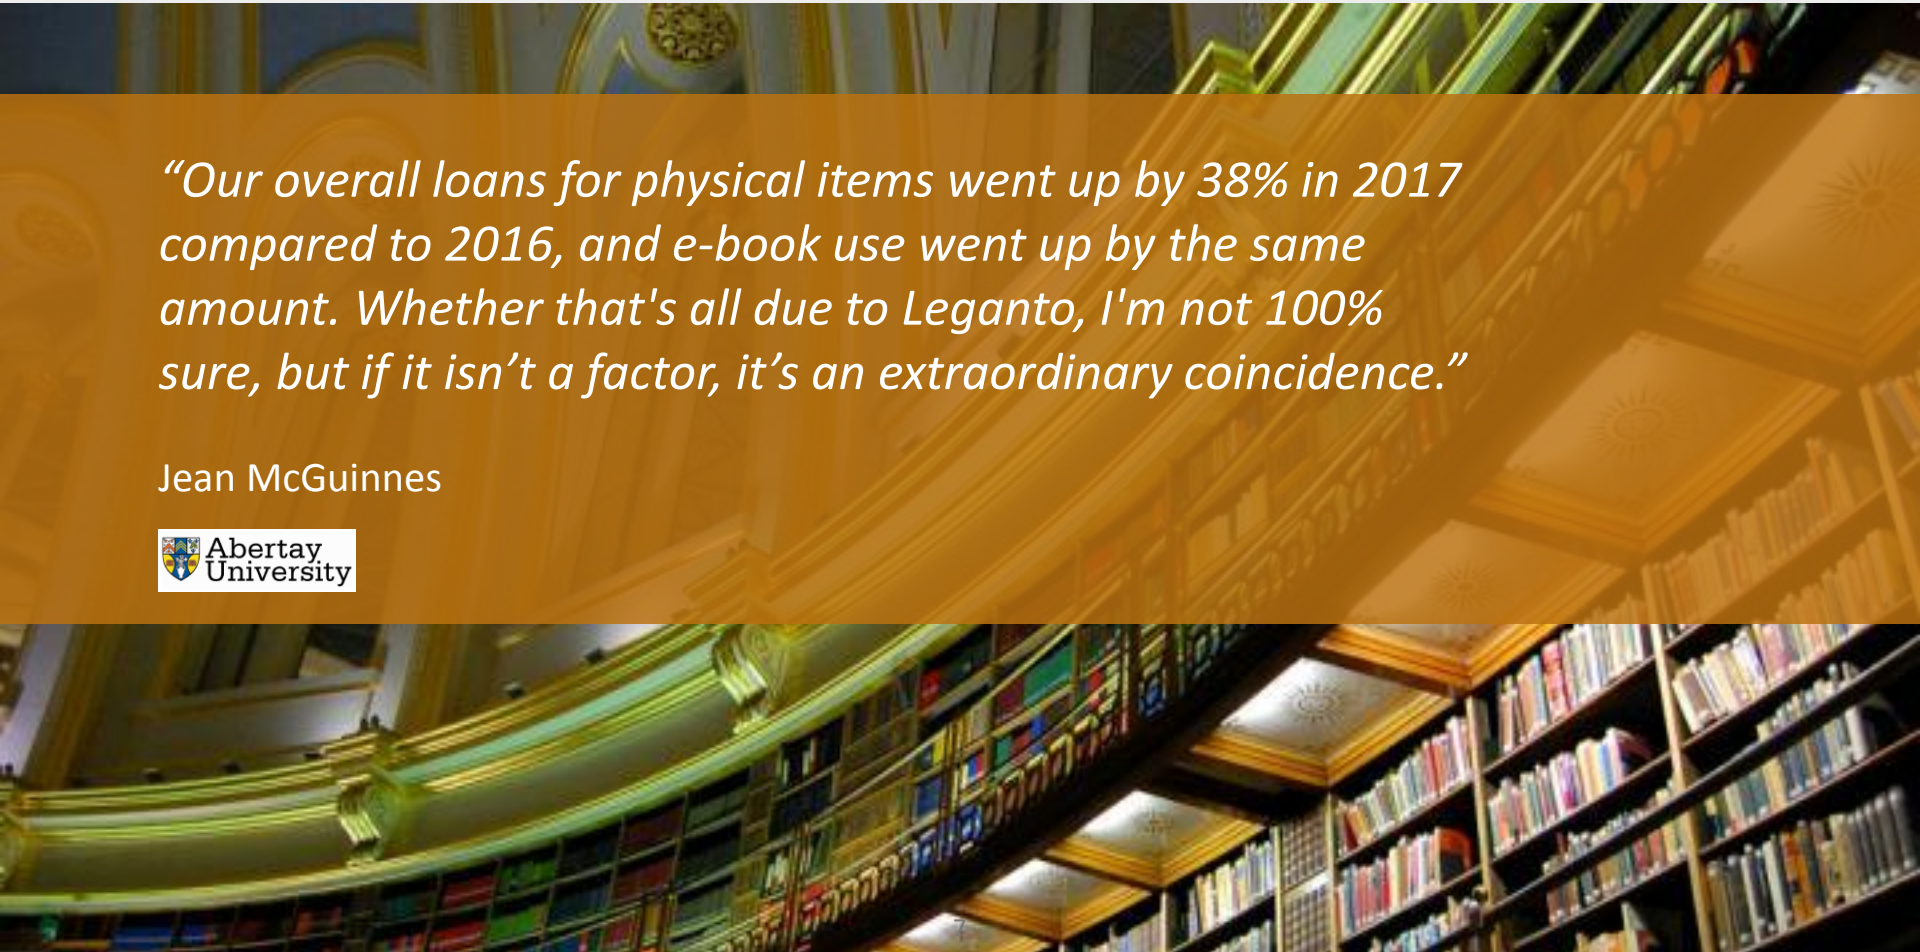
# Growing Library Loans and Collections Usage

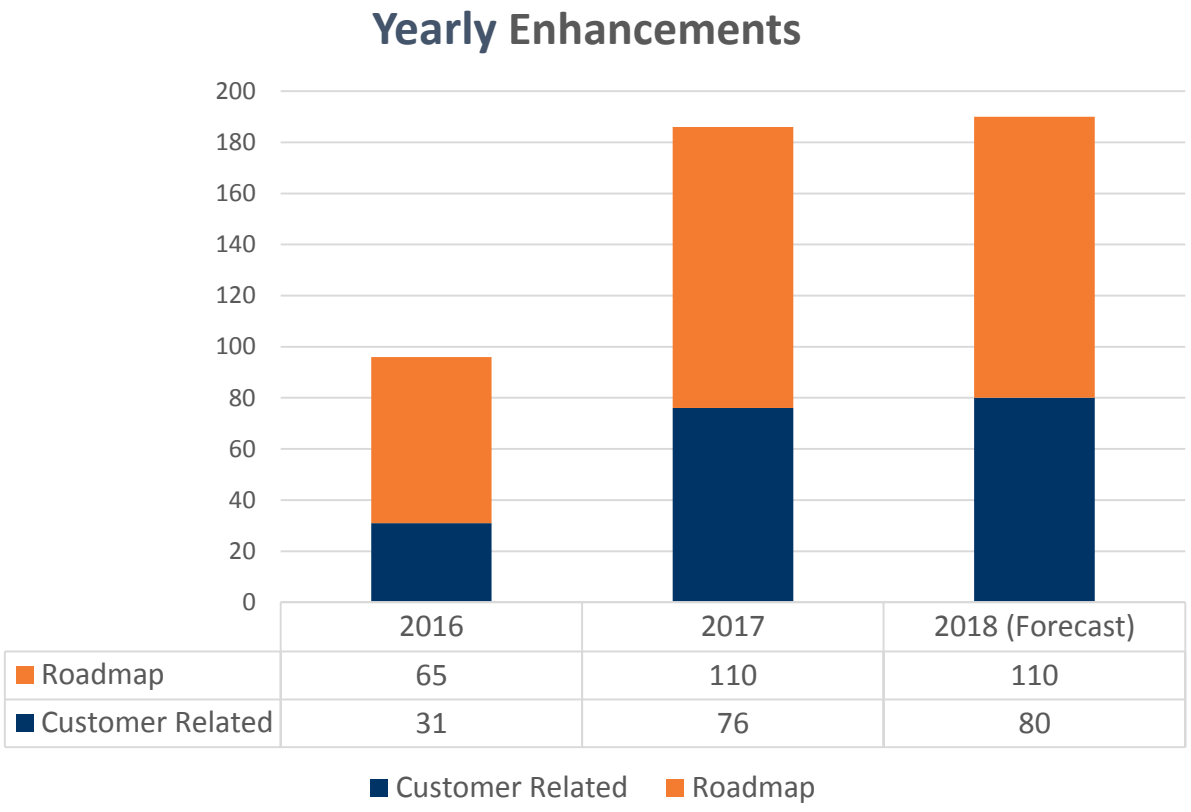


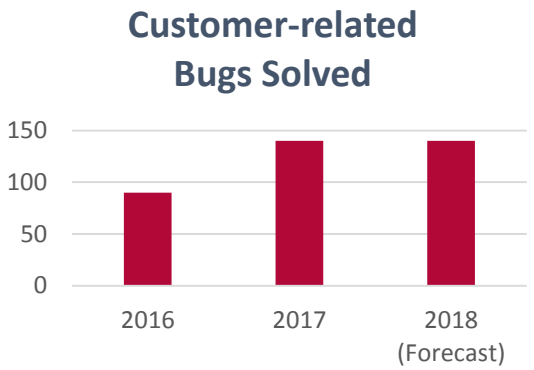
*“Our overall loans for physical items went up by 38% in 2017 compared to 2016, and e-book use went up by the same amount. Whether that's all due to Leganto, I'm not 100% sure, but if it isn’t a factor, it’s an extraordinary coincidence.”*

Jean McGuinnes

Abertay University

# Growing Number of New Features





# Growing Collaboration

## Idea Exchange

**~100** ideas added

**10** developed, **10** planned, **3** Under Review

## NERS started this year

Three enhancements voted for:

| NERS enhancement title | ID | Due to |
|---|---|---|
| Ability to manage which links to display for a citation in Leganto | 5892 | November Release |
| The ability to set readings to “Complete” in Leganto without having to go back and forth into Alma | 5912 | August Release |
| Ability to configure how copyright is dealt with when duplicating a reading list | 5922 | October Release |
