Improve Search with Hyphens

[Demo](#)

Searching for terms with Hyphens will include additional results matching also the term's compound word

- hand-book → **handbook**, hand book
- bar-code → **barcode**, bar code
- brain-storm → **brainstorm**, brain storm
- co-teaching → **coteaching**, co teaching
- copy-right → **copyright**, copy right

*NERS ID 4457 Coming from [Ideas Exchange](#)

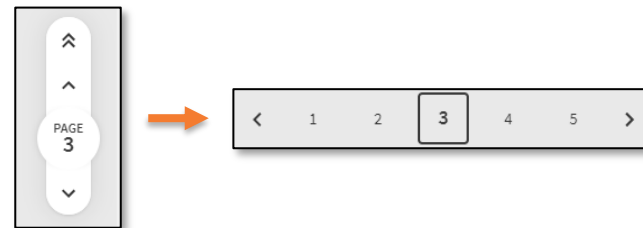

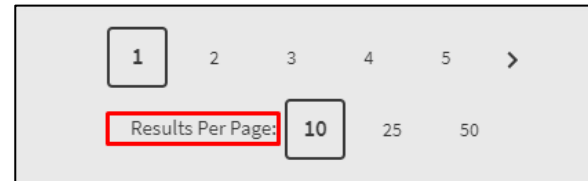

Improve Search with Hyphens

[Demo](#)

- Expanding the query to include also the term's compound word
- Using the synonyms files' mechanism for [Supported hyphenated terms](#)
 - Option to enrich the list by submitting case
- Should also work in the opposite direction
 - Handbook → hand-book , hand book
- Improvement is done for the local search,(In CDI it is already supported)

Improved Pagination Experience

- Allow users to set the number of results per page 10,25 or 50
- Replacing the existing pagination widget with more simpler page navigation
- Replacing “Load more results” behavior
 - Showing up to the selected results per page instead of appending results to the same page → performance optimization

*Coming from [Ideas Exchange](#)

Improved Pagination Experience

- Cross-System change, relevant pages
 - Simple and Advanced search results
 - Journal Search
 - Database Search
 - Browse Search (records page only, not the main Browse page)
 - Citation trail
 - Related items (book chapter, book review, and so forth)
 - Newspaper Search
- In addition in Collection Discovery the number of items is also synched to the number of results that the user has selected.
- Number of results per page settings stored for the current session only

Improved Pagination Experience

[Demo](#)

- Gradual rollout
 - In Primo May release, Primo VE June release – opt-in
 - **In August release the new pagination method will become the default one**
 - Recommendation: adjust any customizations that may have been made to the existing Load More Results area and Paging widget
- Sensitive area – list of [known issues](#)

Description Are transnational corporations (TNCs) and foreign direct investment beneficial or harmful to societies around the world? Since the birth of the United Nations more than 60 years ago, these questions have been major issues of interest and involvement for UN institutions. What have been the key ideas generated by the UN about TNCs and their relations with nation-states? How have these ideas evolved and what has been their impact? This book examines the history of UN engagement with TNCs, including the cr

ABOUT THE TOPIC

Texas

Texas, northeasternmost of the provinces of New Spain, and later of the Republic of Mexico. The name derives from the Spanish term for some of the Caddoan peoples of east Texas. Permanently occupied in 1716, following French incursions in the area, the province remained sparsely settled until after Mexican independence, when an effort was made to attract Anglo-
