Efficiencies from automating processes

“Riata has proven its worth to us already, in terms of creating efficiencies in our workflow.”

University of Western Australia

Growing Community and Collaboration

- 100+ Rialto Libraries in North America!

Since last ELUNA:

100 New Rialto Customers Globally

60 New NA Customers

- Product Working Group
- First Rialto Customer Feedback Survey
- Rialto Idea Exchange Launched March 2022

The screenshot shows the ExLibris Rialto Idea Exchange interface. At the top, the ExLibris logo is displayed with the text "Part of Clarivate" and "idealexchange". Below the logo, the word "Rialto" is prominently featured. A paragraph of text explains that user feedback is valued and that the most popular ideas will be responded to. Below this, there is a section titled "How can we improve Rialto?" with a text input field labeled "Enter your idea". Underneath the input field are several tabs: "Hot", "Top ideas" (which is selected), "New", "Category" (with a dropdown arrow), and "My feedback". Two idea cards are visible below the tabs. The first card is titled "Reading list information in Rialto" and has 39 votes. The second card is titled "Per user feeds" and has 35 votes. Each card includes a "Vote" button and a small amount of text describing the idea.

What Rialto customers are saying

“Transparency is the most important and immediate gain...this transparency is essential and has enabled considerable time-savings from not having to search our catalog prior to ordering, as we formerly did.”

Wesleyan University

“From an acquisitions standpoint, the integration has been amazing, so much easier than having to create and follow up on orders.”

Trinity International University

“We are really enjoying using Rialto! It makes the workflows so much easier and less time consuming, and we have access to so many more electronic book suppliers than before.”

Avondale University

“We’ve experienced significant streamlining of many of the stages of the acquisitions workflow process. Rialto is now our go-to marketplace for titles.”

University of South Australia

“The ordering process for Rialto literally takes about 5 seconds. It’s a great product.

The time savings is genuine.”

NUI Galway

Comments on Lists

- Rialto supports collaboration with the ability to comment on shared lists
- Comments appear within the Offer Details panel

The screenshot shows the Rialto interface for an eBook. On the left, the book title is "The Secret of Our Success : How Culture Is Driving Human Evolution, Domesticating Our Species, and Making Us Smarter" by Henrich, Joseph, published in 2015 by Princeton University Press. It is an edition pilot project available to selected US libraries only. The publisher is Ebook Central with ISBN 9781400873296. There are buttons for "E", "DDA", "STL", and "ATO" with a download icon. On the right, there are options for "Comments (2)", "Library activity", and "In your lists". The price is 56.25 USD with an "Add to Cart" button. The comments section shows two entries: one from "rialto admin" dated Apr 05, 2022, 3:45 PM (Edited) stating "Order not approved by rialto_admin on 04/05/2022: Cost. Purchase this next fiscal year." and another from "rialto demo" dated Apr 05, 2022, 3:48 PM stating "Thank you, I'll move it to next year's list."

Upload to List

Efficiency

The screenshot displays the Rialto marketplace interface. On the left, a list of books is shown under the heading 'End of year wishlist (1 - 20 of 22)'. The list includes:

- 1. War in Space by Bowen, Bleddyn E (Ebook Central, 220.00 USD)
- 2. Nuclear Iran: The Birth of an Atomic State by Patrikarakos, David (EBSCO eBooks, 198.00 USD)
- 3. Paramilitarism : Mass Violence in the Shadow of the State by Üngör, Ugur Ümit (EBSCO eBooks, 40.49 USD)
- 4. Ethics, Security, and the War-Machine : The True Cost of the Military by Dobos, Ned (Oxford University Press, 144.00 USD)
- 5. Byzantine Art by Cormack, Robin (Paperback, 29.95 USD)

The right side of the screenshot shows a detailed view of the book 'Byzantine Art' by Cormack, Robin. It includes a description, edition information (Paperback, 2018), and details like EAN/ISBN, ISBN-10, ISSN, and LC Classification. A 'SHARED LIST' sidebar on the right shows the list's status as 'Awaiting budget' and lists shared users: Yuval Instructor, rialto admin, and rialto demo.

- Upload a spreadsheet of ISBNs to a new or existing list, and search for them in the Rialto marketplace to view matching offers
- Save time and easily search for a large title list in the marketplace

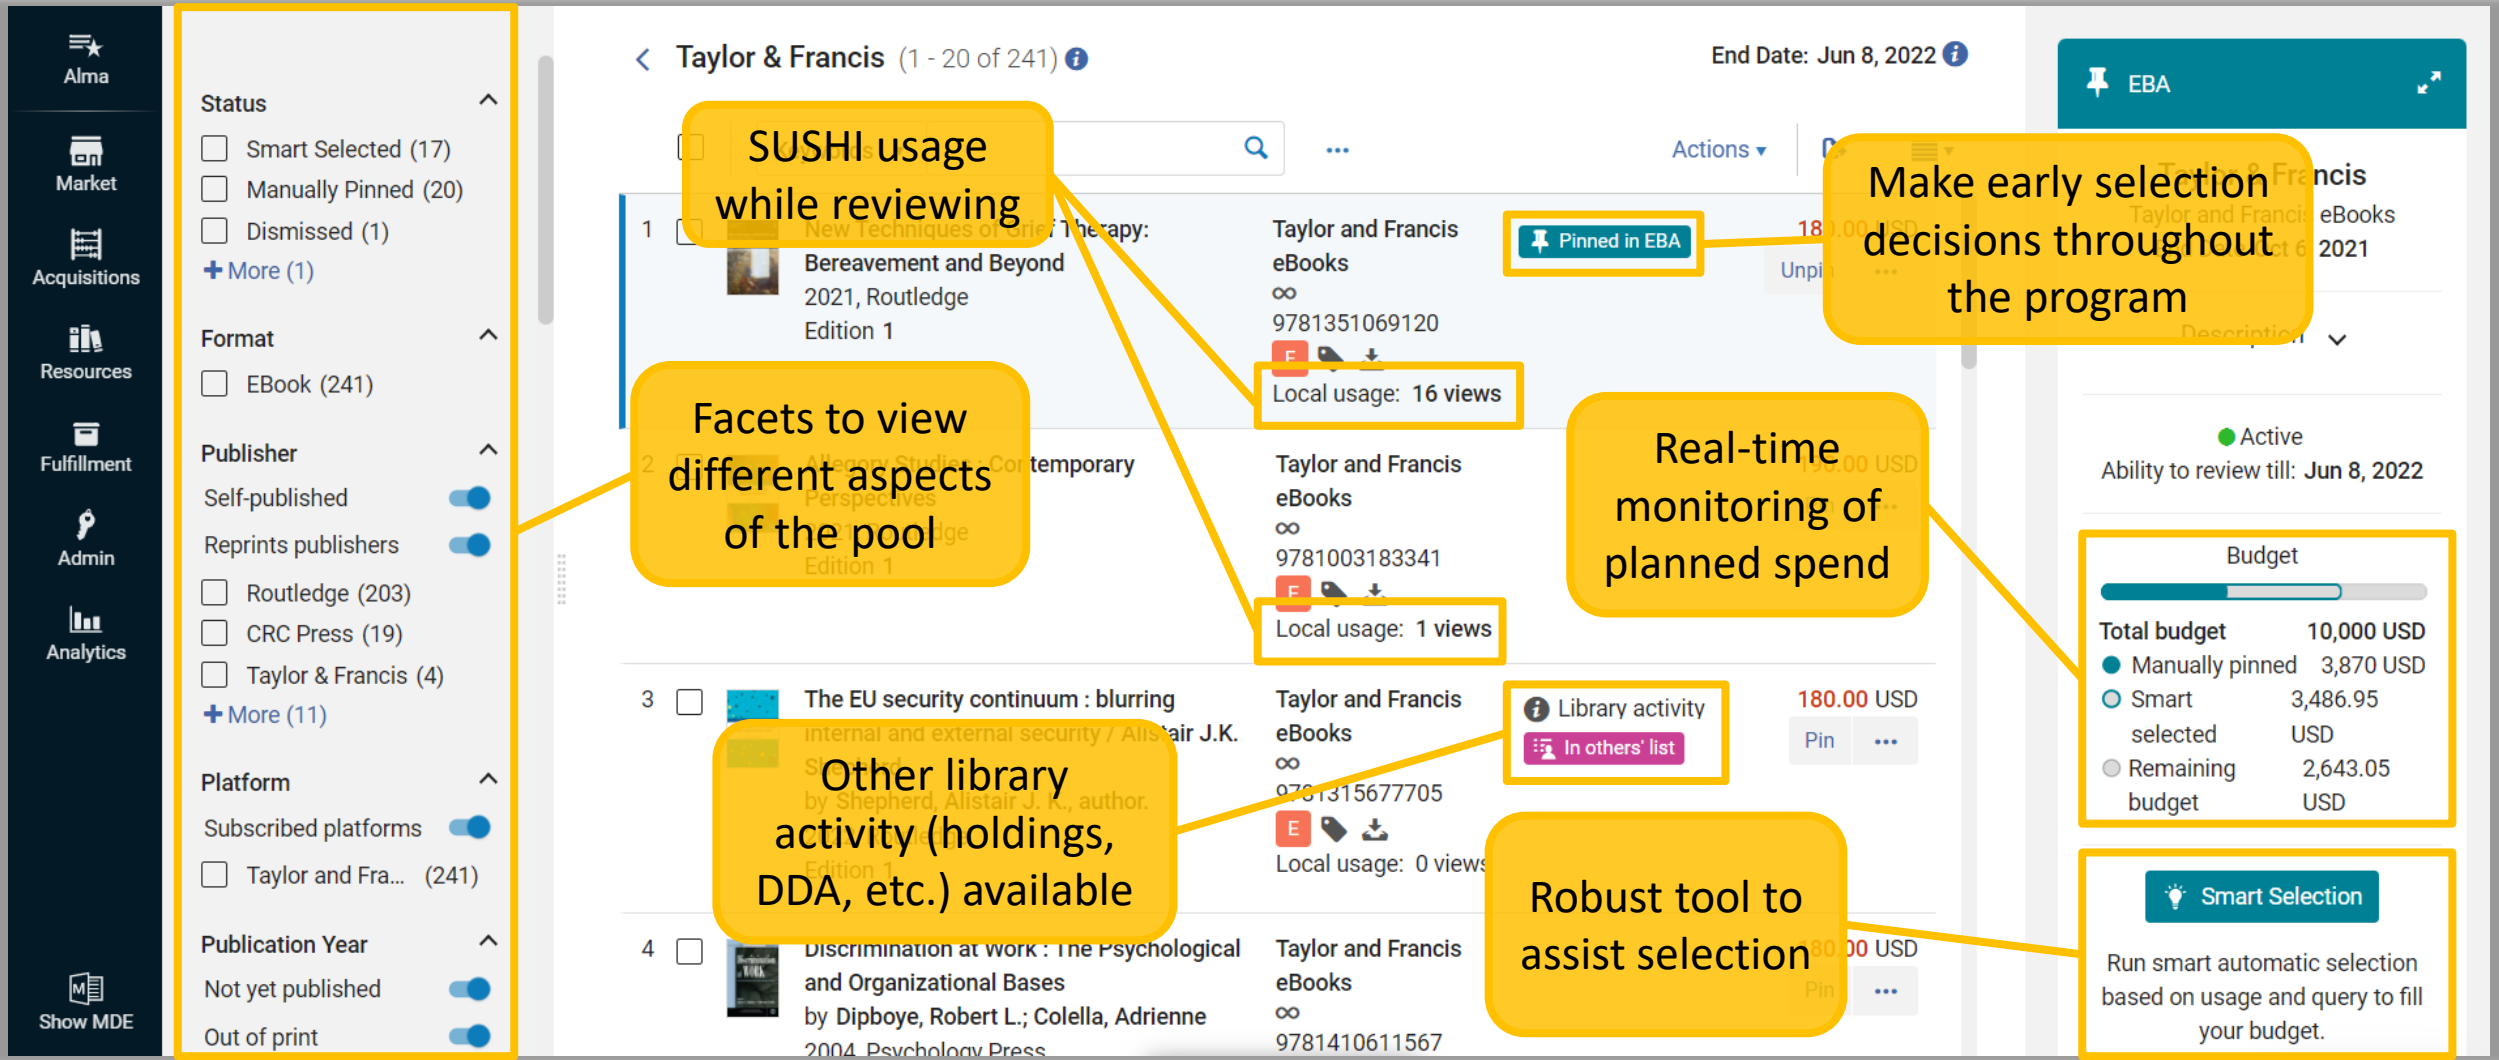

Selection Plan Enhancements

- Filters for Awards and Reviews
- Selection Plan History page added
- Additional testing tools added
- Duplicate Selection Plan rules
- Many additional filters for more targeted plans

Evidence Based Acquisition in Rialto

 Acquisition Models with Efficient Workflows

The screenshot displays the Rialto Evidence Based Acquisition (EBA) interface. On the left is a navigation sidebar with icons for Alma, Market, Acquisitions, Resources, Fulfillment, Admin, and Analytics. The main content area shows a list of books from Taylor & Francis, with filters for Status, Format, Publisher, Platform, and Publication Year. Callouts highlight several features: 'SUSHI usage while reviewing' points to a 'Local usage: 16 views' callout; 'Facets to view different aspects of the pool' points to the filter sidebar; 'Other library activity (holdings, DDA, etc.) available' points to a 'Library activity' callout; 'Real-time monitoring of planned spend' points to a budget progress bar; 'Robust tool to assist selection' points to a 'Smart Selection' button; and 'Make early selection decisions throughout the program' points to a 'Pinned in EBA' button.

SUSHI usage while reviewing

Facets to view different aspects of the pool

Other library activity (holdings, DDA, etc.) available

Real-time monitoring of planned spend

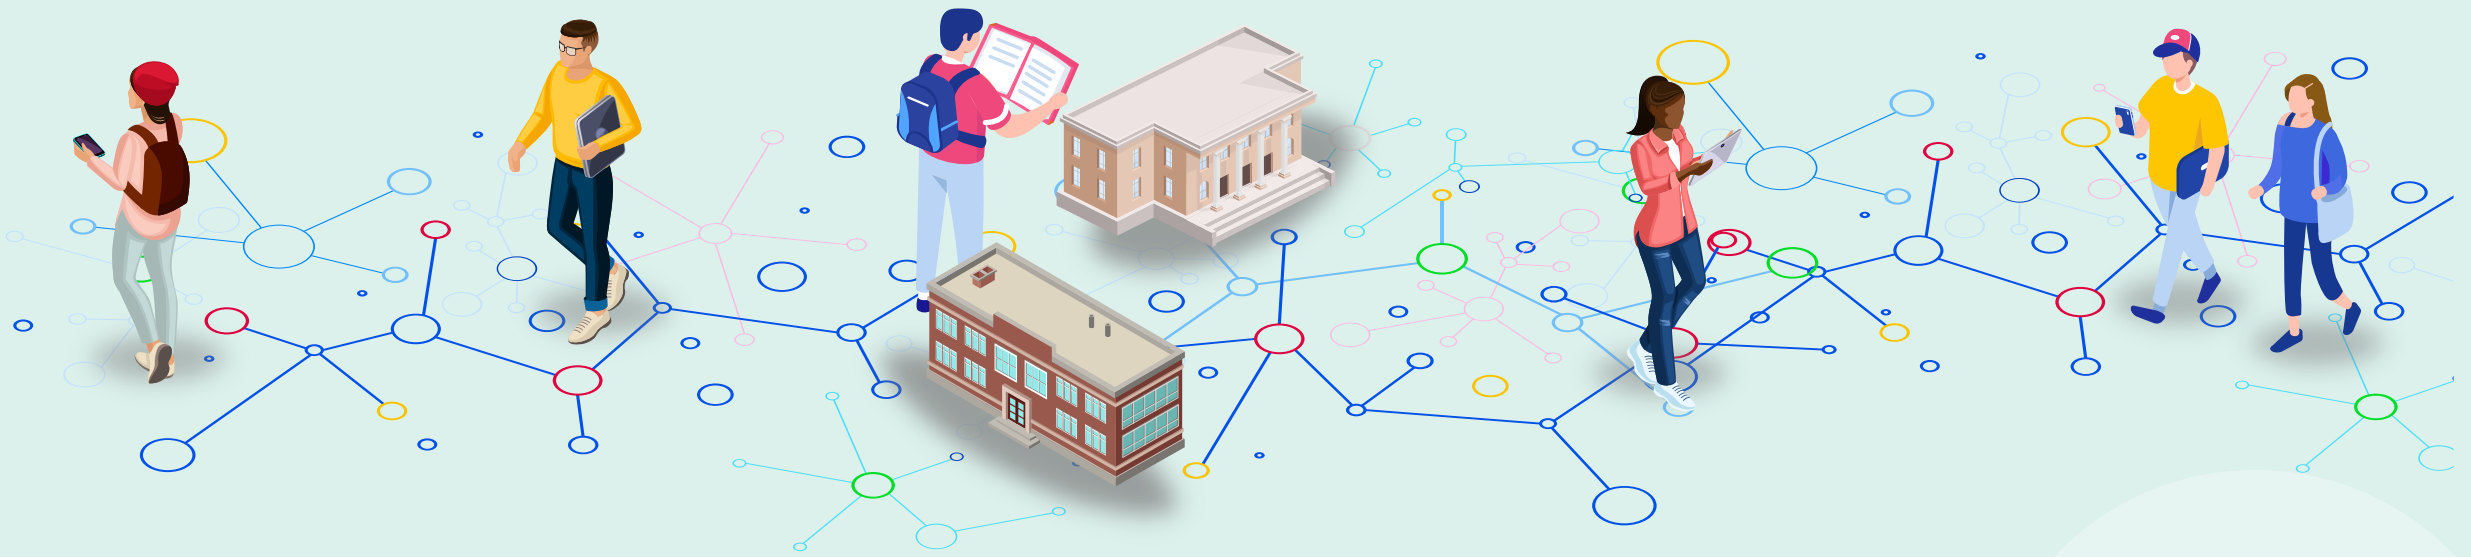

Robust tool to assist selection

Make early selection decisions throughout the program

Budget	
Total budget	10,000 USD
Manually pinned	3,870 USD
Smart selected	3,486.95 USD
Remaining budget	2,643.05 USD

Smart Selection

Run smart automatic selection based on usage and query to fill your budget.

An Easy & Enjoyable Implementation Process

We know libraries have many priorities today, and implementing a new product isn't exactly top of mind. That's why Rialto's implementation was specifically designed to be **simple and easy**.

You complete two forms, followed by a short training session

**And we do the rest!
Within a week, Rialto is ready for your library.**

“This has been an incredibly positive experience and the easiest implementation by far”
—**Washington & Lee University**

“The implementation process for Rialto was truly enjoyable.”
— **University of Calgary**

“I appreciate that Rialto was implemented quickly. Also, our implementation manager was very responsive.”
— **Embry Riddle Aeronautical University**

Rialto's Journey Continues

Coming in 2022

- Lists of titles created according to a library-defined query and ranking.
- New lists drawn up at pre-defined intervals (weekly, biweekly, or monthly) for review by library staff
- Title alerts may be shared with faculty, who will be able to review title alert lists and recommend titles for purchase

Community Selection Plans

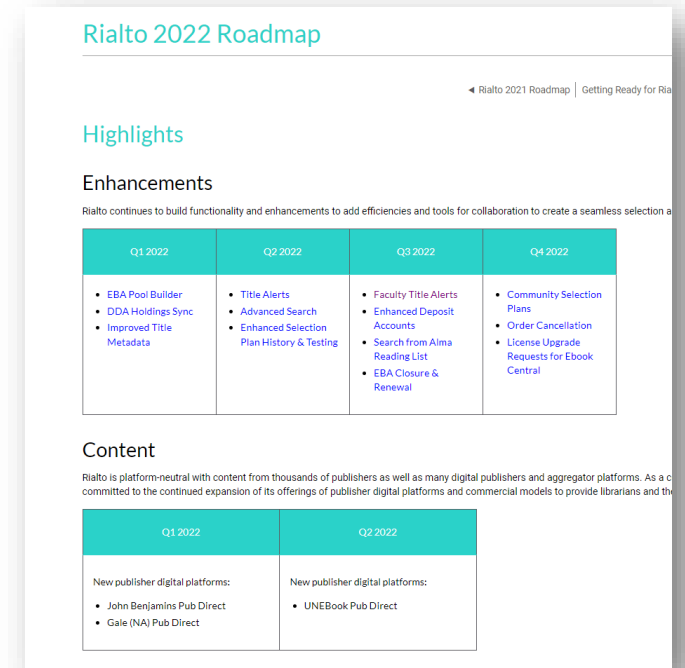

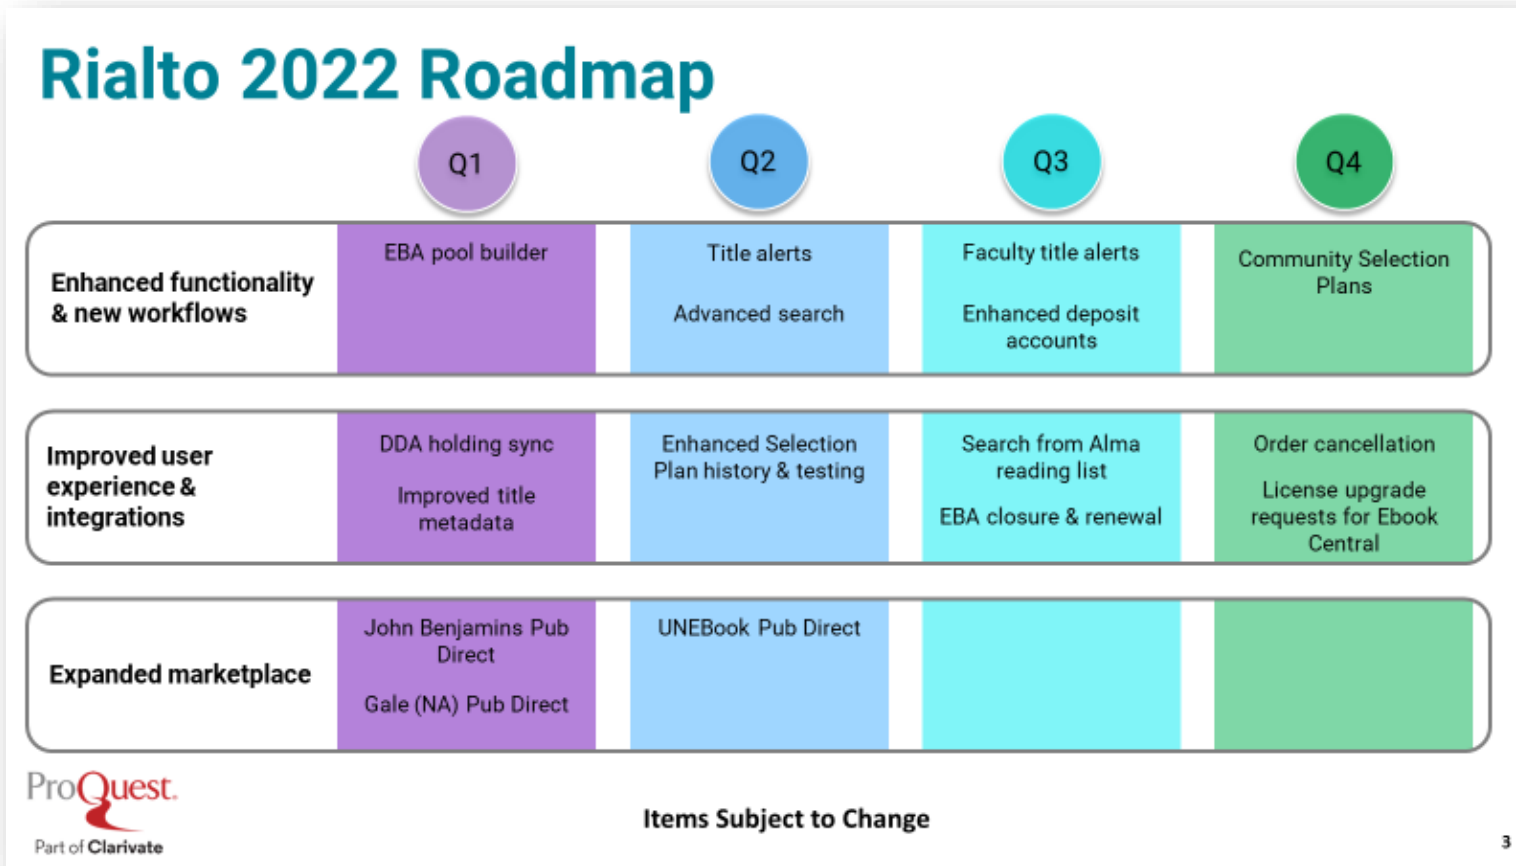

- Use the power of community sharing to enhance your Rialto selection plan
- Share a selection plan or recommendation feed with the Rialto community
- Users may preview shared plans and save them to the local institution

A screenshot of the Rialto Selection Plans interface. The top navigation bar includes "Market", "Keywords", a search icon, and "Advanced". Below the navigation bar, there are tabs for "Query", "Rules", and "Test". The main area shows a query builder with fields for "Subject" (Art), "Publication Date" (1 year), "Language" (English), and "Language" (German). On the right, a preview panel titled "SELECTION PLANS" shows the "Selection plan name", "Description", "Active" status, "Frequency: Monthly", and a "Share with community" button. The "Share with community" button is highlighted with a yellow dashed border.

And there is so much more to come
