What's New: Recent Enhancements

Our development is community-driven.

Some of our recent customer-requested enhancements:

Title Alerts

Evidence Based Acquisition

Advanced Search

Comments on Lists

Ebook Preordering

Cart Field Customization

Notifications

Improved title metadata

Cart Values in Order History

Publication Type Filter

Orders Awaiting Approval

Stored page display preferences

Adjustments for smaller screens

Improved shopping cart

Bulk upload to list

John Benjamins e-Platform

JSTOR

Selection Plan Enhancements

- Filters for Awards and Reviews
- Selection Plan History page added
- Additional testing tools added
- Copy Selection Plan rules
- Many additional filters for more targeted plans

The screenshot displays the 'Childrens & YA Selection Plan' interface. At the top, there is a search bar with 'Market' and 'Keywords' dropdowns, and a search icon. To the right are icons for a shopping cart (with a '4' notification), location, user profile, and help. Below the search bar, the title 'Childrens & YA Selection Plan' is followed by tabs for 'Query', 'Rules', and 'Test'. Action buttons include 'Cancel', 'Save and Create Snapshot', and 'Save'. The main area shows a query builder with the following structure:

- Root level: 'Available X weeks ago' (dropdown), 'Less than or equ...' (dropdown), '56' (input field).
- AND connector: 'Held in my institution' (dropdown), 'Exclude' (dropdown).
- Sub-level (under AND):
 - Award Name (dropdown), Contains (dropdown), Caldecott Medal (input with close button).
 - OR connector: Award Name (dropdown), Contains (dropdown), Carter G. Woodson Book A (input with close button).
 - OR connector: Award Name (dropdown), Contains (dropdown), Christopher Book Awards (input with close button).
 - AND connector: Award Name (dropdown), Contains (dropdown), Coretta Scott King Awards (input with close button).
 - OR connector: Award Name (dropdown), Contains (dropdown), Jane Addams Children's B (input with close button).
 - OR connector: Award Name (dropdown), Contains (dropdown), Michael L. Printz Award (input with close button).
 - OR connector: Award Name (dropdown), Contains (dropdown), Newbery Medal (input with close button).

Evidence Based Acquisition in Rialto

Make decisions throughout the program

Usage

Real-time monitoring of planned spend

Other library activity (holdings, DDA, etc.) available

Budget

Category	Amount
Total budget	10,000 USD
Manually pinned	3,870 USD
Smart selected	3,486.95 USD
Remaining budget	2,643.05 USD

Title Alerts and Faculty Alerts (In Testing)

- Lists of titles created according to a library-defined query and ranking.
- New lists drawn up at pre-defined intervals (weekly, biweekly, or monthly) for review by library staff
- Title alerts may be shared with faculty, who will be able to review title alert lists and recommend titles for purchase

New Rialto Order Processing and Invoicing System

Streamlining your invoicing experience for electronic orders

Streamlined Invoicing

- Reduced invoice quantity
- Combined invoices across platforms
- Choice in frequency

Real-Time Invoicing into Alma

- Invoices available in Alma at the same time as PDF
- Payment confirmation in Alma

Enhanced Deposit Accounts

- Available for orders on the new system
- Can be used for DDA and leftover funds at end of fiscal year

Searching and Purchasing from Citation and Reading Lists

The screenshot displays the Rialto interface. At the top, a search bar contains the text "The disappearing product" with a magnifying glass icon. Below the search bar, a result is shown for "The Disappearing Product: Marketing and Markets in the Creative Industries" by Bilton, Chris. The result includes pricing for print (55.95 USD) and electronic (312.00 USD) versions. A red box highlights the search bar and the result title.

Below the search results, the "Edit Reading List" interface is shown. It includes a "Reading List Information" section with fields for Code (0.5359134586151311), Name (Advanced Algorithms & Data Structures), Due Back Date (12/01/2019), and Current Request for Review (08/21/2019). The status is set to "Complete" and the publication status is "Anyone Restricted". A red box highlights the "Edit" and "Search in market" buttons at the bottom of the interface.

The screenshot shows the details of a reading list for "The disappearing product : marketing and markets in the creative industries" by Bilton, Chris. The details include:

- Edition: -
- ISBN: 978178536...
- LCCN: 2017936574
- Other system number: (MIAaPQ)E...
- Publisher: Edward Elg...
- Year of publication: 2017.
- Place of publication: Cheltenham...
- Created from: -

- Search in Rialto from Alma Reading List management
- Reading list context as part of the purchasing decision process
- Streamlines the workflow for libraries whose staff both manage reading lists and order in Rialto without purchase requests.

Request Order Cancellation (In Testing)

The screenshot displays the ExLibris Order History page. The main content area shows a list of orders with the following details:

Order ID	Title	Selection Date	Order Date	Amount	Action
1	Mongolia in the Twentieth Century : Landlocked Cosmopolitan by Kotkin, Stephen; Elleman, Bruce Allen; Hamilton, Neil	06/26/2022	06/26/2022	250.58 USD	Cancel Order
2	Human Resource Management in the Sport and Leisure Industry by Wolsey, Chris; Minten, Sue; Abrams, Jeffrey	06/26/2022	06/26/2022	278.43 USD	Cancel Order
3	The Law on the Use of Force : A Feminist Analysis by Heathcote, Gina	06/26/2022	06/26/2022	250.58 USD	Cancel Order
4	The Arts in the Primary School by Taylor, Rod; Andrews, Glennis	06/26/2022	06/26/2022	250.58 USD	Cancel Order
5	Multivariate Applications in Substance Use Research : New Methods for New Questions by Rose, Jennifer S.; Chassin, Laurie; Presson, Clark C.; Sherman, Steven J.; Presson, Clark	06/26/2022	06/26/2022	250.58 USD	Cancel Order

A modal dialog box titled "Request cancellation" is overlaid on the screen, containing the text "Are you sure you want to send a cancellation request?" and two buttons: "Cancel" and "Request cancellation".

- Users can now cancel orders from Order History within Rialto
- Rialto will automatically initiate the Alma order cancellation process on the local order line

Coming Soon!

An Easy & Enjoyable Implementation Process

We know libraries have many priorities today, and implementing a new product isn't exactly top of mind. That's why Rialto's implementation was specifically designed to be **simple and easy**.

You complete two forms, followed by a short training session

And we do the rest!
Within two weeks,
Rialto is ready for your
library.

"We were extremely pleased with the Rialto implementation experience and cannot speak highly enough of [the ProQuest team]."

—University of Western Australia

"Easiest rollout of any product we've ever implemented."

—National University of Ireland, Galway

"We all felt very included and empowered by the whole implementation process. It was great."

— University of Central Lancashire
