

Implementing Acquisitions in Alma

Questions and Answers

Week 6—May 25, 2023

- 1. Can a norm rule [in an import profile] also run on a portfolio? I have this set up for ebooks and I'd like some automatic changes to be applied to the ebook's portfolio?**

ExL—Yes, normalization rules can be applied to electronic inventory mapping (for inventory that is imported into Alma as portfolios).

- 2. Is Rialto free too or an extra cost product?**

ExL—It's free!
