Discovery Service Options

Continue with Existing Discovery

Separate Discovery for E & P

Discovery Replacement

You can continue to use your existing discovery service (legacy OPAC , Summon, Primo, VuFind...):

- Electronic resources managed can be shared to existing library discovery through publishing a process
- Existing discovery service points to the Alma Link Resolver via OpenURL

If you prefer users access different formats via two channels:

- Use PrimoVE for the discovery of e-resources at the title, article, and chapter levels
- Use your existing library catalog for print resources

If you want to replace the current discovery service:

- Use PrimoVE for the discovery of all electronic AND print resources

Reliable and Experienced Onboarding

Gain peace of mind when upgrading to your new e-resource management solution

Streamlined and tailored implementation process

Simplified migration of e-resource content from existing ERM system

Focused training to ensure adoption and success

Consultancy services for 1 year after Go Live
