Woolf, Virginia, 1882-1941
English modernist writer (1882–1941)

Adeline Virginia Woolf (; née Stephen; 25 January 1882 – 28 March 1941) was an English writer. She is considered one of the most important modern 20th-century authors. She pioneered the use of stream of consciousness as a narrative device. Woolf was born into an affluent household in South Kensington, London. She was the seventh child of Julia Prinsep Jackson and Leslie Stephen in a blended family of eight that included the modernist painter Vanessa Bell.
