Change Number	Description	Solution	Related Documentation	Implementation Notes	Module	SI Number
791	If there are many local/library coverage records in a bulk, they are harvested incorrectly into Verde, resulting in incomplete global data on the Verde side.	This has been fixed.			Verde Task	16384-252121
792	Logging for the harvester has been expanded in order to help track any unexpected behavior.				Verde Task
