- **Alma Administration Certification**
  [No image available]
  Alma Administration Certification prepares Administrators and Systems Librarians to respond to Alma library configuration requests. Certification is a required part of Alma implementation at your library, although any Alma users at your library can watch the training sessions.
  - Alma Administration Certification Overview
  - Acquisitions
  - Analytics
  - Fulfillment
The Alma Collaborative Networks training sessions show how to make use of Alma with your consortium, including the network institution, the Network Zone, acquisitions, cataloging, resource sharing, and much more.

These sessions introduce and detail the three models of resource sharing in Alma: broker-based, peer-to-peer, and fulfillment networks. Sessions cover resource sharing background, staff workflows, and configuration. These are useful for independent institutions as well as those in a collaborative network (Alma consortium).
