Recorded Training Sessions and Special Event Presentations for 360 Services, Intota, 360 KB, Summon, and Ulrich's

• **Product:** 360 Services, Summon

---

Are there any recorded training sessions available to watch? In addition to recordings from training staff are there other sessions presented by others within and outside of ProQuest?

A variety of recorded training webinars are available for your convenience. Click on a link below to go to that product's list of recorded training.

Recorded Special Event Webinars

In addition to the product training recordings mentioned above, provided by our training staff, we also sometimes have topics presented by others within and outside of ProQuest. See [Summon Webinars](#).
